I have had the privilege of coaching Abby Morrongiello for the past two years, during which time she has consistently demonstrated exceptional talent and character both on and off the basketball court.

Abby possesses an impressive skill set, excelling as a ball handler with excellent court vision. Her ability to navigate the game with finesse and her talent for getting to the rim and finishing are unparalleled. Additionally, Abby is a strong defender, consistently showcasing her commitment to excellence on the defensive end.

However, what sets Abby apart is her remarkable character. She is not only an outstanding athlete but she is also an amazing teammate, fostering a positive and inclusive environment both on and off the court. Her leadership and teamwork skills are exemplary, making her an invaluable asset to any community.

In summary, Abby is a well-rounded individual who would undoubtedly thrive at an academic institution that will allow her to shine.
